ACKNOWLEDGEMENTS

The Nairobi City Players wish to express their appreciation and thanks to:—
The East African Airways Corporation for their co-operation in Publicity.
The Westlands Primary School and the Nairobi Primary School for rehearsal facilities.

Money can buy no finer, smoother cigarettes. Made of superb tobaccos perfectly blended and married to exactly the right filter, Benson & Hedges could not be allowed to come to you in an ordinary box. Nor do they. Far from it. We pack them in a golden metal covered case suitable to their outstanding quality. The metal resists moisture, heat and light. The strength of the box keeps Benson & Hedges perfectly firm and round. These wonderful cigarettes demand a very special box... and get it - in *gold*.
