NAIROBI CITY PLAYERS

IN September, 1956 an "acting group" was formed to be known as the Nairobi City Players, and in its Constitution set down the following aims and objects:—

- (a) Regularly to present theatrical productions of a good dramatic and artistic standard by utilising and co-ordinating the best available acting talent, producers, set designers and technical stage assistants.
- (b) Towards the fulfilment of (a) above, to be unstinting in the cost of production, subject to the limit set by the Standing Committee.
- (c) To take all necessary steps to encourage the drama and to improve the facilities available for theatrical productions.

The City Players have adhered rigidly to these aims from their formation and since that time have presented at the National Theatre, Nairobi a total of 75 productions including 22 full scale musicals (figures include the current production).

The City Players are controlled by a STANDING COMMITTEE as follows:—

Bryan Epsom (Chairman)	Tony Bishop
Nick Donne (Business Manager)	Trevor Fox
Gordon Purcell (Treasurer)	Vic Francis
Benny Goodman (Executive Member)	Ken Latham
Rurik Ronsky	David Crelley
Ray Charman	Walter Hinds
Peter Pearce	

In addition to the Committee there is an Associate Membership limited to 50 Members.
