ACKNOWLEDGEMENTS.

The Management Committee welcomes The Nairobi City Players on their first visit to The Little Theatre Club, and hopes they will have an enjoyable time while in Mombasa. We hope they will visit us again soon with another of their successful shows.

Thanks are also due to Mrs Jenifer Walters for co-ordinating accommodation arrangements for The Players; and to all those who have helped behind the scenes, not least to Mr Patel of Reliance Press who continues to put up with various programme producers who always require the programme (for which copy will be delivered 'tomorrow') by last week!

And finally to all our long-suffering Advertisers for their continued magnificent support and good will.

Thank you all!
