Test your *Shellocution*

Say five times quickly:

“ I SEE SHELL SELLS SUPERSHELL WITH ICA ”

Then say (just once is enough):

“ I WILL BUY THE SUPERSHELL
WITH ICA THAT SHELL SELLS ”

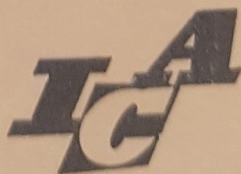

You will then be speaking not only correctly but also wisely. For Supershell with ICA is the best petrol that money can buy.

Supershell is a premium grade petrol that develops absolute maximum performance in modern motor engines. ICA—Ignition Control Additive—is vital in those engines to prevent rough running.
